To publicise our activities, we took part in the Beatles Flower Festival at St Peter's Church, Woolton, Liverpool L25, from 15th-17th JUNE 2007.

The festival - with floral displays illustrating Beatles songs - marked the 50th Anniversary of the day John met Paul for the first time, on the stage of St Peter's Church Hall.

The proceeds went to Woolton in Bloom and the Friends of Beechley Stables (Riding for the Disabled).
