

## TO GATEACRE SOCIETY MEMBERS AND FRIENDS

We hope to see you at our future meetings:

- **Monday, 18<sup>th</sup> September 7.30 pm** at Gateacre Chapel John McCombs will speak on Childwall Woods - From Impossible to Possible. *The story of the place, the people, our purpose and our project: to improve the access and habitats of this wild place within the city.*  
(See John's biography attached to this email)
- Please note that our AGM will be on Sunday, 22<sup>nd</sup> October 2.00 pm at Gateacre Chapel

We have much to discuss. Following the sudden, tragic loss of our dear friend Mike Chitty, we have to consider the future of our Gateacre Society. Mike took on many important roles. We now cannot continue unless we find people with enthusiasm, time and skills for roles now unfilled; e.g. Banking/Treasurer, updating website, tick tock and Instagram, Zoom organiser, newsletter organiser, spreadsheet skills etc.

Therefore, we ask if any members or friends can offer assistance in any capacity to ensure our future. If you do not want the Gateacre Society to fold, would you please consider how you could contribute to maintaining the good work of our Society.

The Gateacre Society was founded in 1974 so next year, 2024, we could celebrate 50 years with your help.

Please contact us asap by email or mobile to [sandrasandland671@gmail.com](mailto:sandrasandland671@gmail.com) or 07967 020744.

In anticipation of your reply, preferably by 11<sup>th</sup> September.

Your Gateacre Society Committee
