A NOTE FROM THE MEMBERSHIP SECRETARY -

Many members, when renewing their subscriptions, send messages expressing their good wishes to the Society and congratulating us on the many aspects of our work. These letters are most welcome and are always passed on to the Committee. Please keep on writing - we value your comments. Constructive criticism would also help the Committee to keep in touch with members' views and give us fresh ideas of how we can best help Gateacre.

We are grateful to all those members who have added a donation to their subscriptions or who have paid a higher membership fee than required. Our subscription rates have remained unchanged since the Society was formed in 1974, while the cost of running the Society has greatly increased, so your generosity is much appreciated.

Last year we welcomed many new members as a result of the 'GATEACRE' signs campaign and we should like to thank all these new friends for their continued support. A few people gave donations (with no indication that they wished to become regular members) and as a token of our thanks we have been sending them our Notices and Newsletters throughout the year. We hope they have enjoyed reading of our activities and feel that we are doing a worthwhile job - enough to want to join and thereby keep in touch with new developments over the coming year.

According to our Constitution members may receive communications from the Society for just 3 months after subscriptions become due - this time is now approaching and people who have not paid by the time our Spring (burr) Newsletter comes out will - reluctantly - have to be removed from our mailing list.

RATES: Individual £1.00. Family £1.50. Pensioner/Student 50p.

(Plus £1.00 if living outside the hand delivery area)
