NEXT MEETING -

LIVERPOOL'S TWO CATHEDRALS

WEDNESDAY, 30th MAY 1984

A visit has been arranged to make a tour of our two Cathedrals, and we are most fortunate to have as our guide PROFESSOR J.N. TARN, Head of the Liverpool University School of Architecture. We expect people to travel under their own steam, but there will be some seats available in members' cars for those without transport or not wishing to travel by bus. We shall meet at the ANGLICAN CATHEDRAL at 7 p.m., and when Professor Tarn has shown us round there, we will proceed to the METROPOLITAN CATHEDRAL at approximately 8.15 p.m.

Professor Tarn has a wide knowledge of both Cathedrals, and however well you think you know them you are certain to learn something new on this visit.

If you would like to join the party, or if you would like a lift please let the Secretary know as soon as possible so that transport can be arranged.

JUMBLE SALE:- This will be held on Saturday, 19th May at 2 p.m. Gateacre Chapel Hall, Sandfield Road. Please let us have all your unwanted items of any description for this, our one money making effort of the year. If you have goods which need collecting, or are willing to give up a couple of hours on the Saturday to help, please ring Mrs. McKenzie 428 - 2938.
