.

We apologise to members who sat through 4 long hours watching 'The Longest Running Show on Earth' last Sunday the 26th May in the expectation of seeing Gateacre children washing and waxing Queen Victoria. We wrote to ask the Producer what time 'our bit' would be shown but the reply - to the effect that it was to be a 'news item' and might appear at any time - didn't arrive until Monday morning. We feel very strongly that it was most unfair not to tell the children that there was a possibility that the film might not be used, and have written to say so. We do hope that the children involved - who were very good indeed - will not be put off conservation exercises in the future.

JUMBLE SALE - Very many thanks to all members and friends who either gave their time or jumble - or both - towards this effort, when over £90 was added to the Society's funds.

LIVERPOOL HISTORY QUIZ - This was held at Wavertree Town Hall on the 23rd May when the Gateacre Society accepted a challenge from the Wavertree Society. It was great fun and the result was a draw 40 - 40; we hope that the members who came to support us enjoyed themselves as much as the teams - the coffee and cakes were excellent - thank you Wavertree Society.

ADVANCE NOTICE - the following meeting of the Society will be on Tuesday 16th JULY when we are to have a talk by Bill Emmanuel entitled 'WOMEN IN TROUBLE.'
