- SUBSCRIPTIONS - The Membership Secretary has asked me yet again to appeal to members who have not yet paid their subscriptions. Our numbers are well down compared with this time last year. If it is easier for members to pass their subscriptions to one of the Committee members please do so and these will be passed on, they will then receive current Membership Cards. Do you feel that the Society is doing a useful and worthwhile job? If so PLEASE SUPPORT US and let us have your subscription THIS WEEK.

RATES

Individual £1. Family £1.50. Students & Pensioners 50p. Life £20.  
Plus £1 towards postage if outside the hand delivery area.

- KNOTTY CROSS - The decision about whether to allow the building of a block of 4 two bedroom flats on the front lawn has been deferred pending another site meeting to be held on Monday 17th February about 3 p.m. If you feel, as your Committee does, that this would be an unwelcome intrusion please come along and support our objection.

- ADVANCE NOTICE - A visit has been arranged for Tuesday evening 24th June to Rufford Old Hall. We will be going by coach, leaving the village at 7 p.m. and anticipate having a guided tour of this very interesting old building. The cost - including the entrance fee will be £2.85 per person. Tea/coffee and biscuits will be available. Tickets will be strictly limited so first come first served. Further information about the Hall and tickets will be in the next month's News Sheet.
