ENVIRONMENT WEEK EVENTS -

The Gateacre/Woolton Societies Liverpool History Quiz was held on the 6th May when we welcomed members of the Woolton Society to the Chapel Hall. Mr. Chitty's questions were interesting and far-ranging, and the result was 45 points for Gateacre and 50 for Woolton. We congratulate their team, but when can we have our revenge? Thanks to Mr. Chitty for setting the quiz, the teams for taking part and the bakers- Mrs. Bee, Mrs. Farrell and Miss Lythgoe for our half time cakes.

About 2 dozen people joined the Gateacre & Woolton Societies in a dampish Walk down Beaconsfield Road on Saturday 3rd May, studying the architecture of the 19th century buildings under the instructive and entertaining guidance of John Dewsnap and Janet Gnosspelius. Very sincere thanks to our guides and to Mrs. Hemmings who provided us all with a very welcome cup of tea at the end of our journey.

JUMBLE SALE - Next Saturday, 17th May in the Chapel Hall at 2 p.m. JUMBLE and HELPERS please.
