THE STORY OF LIVERPOOL'S PARKS

by

NIGEL SHARP

Mr. Sharp has been an Urban Ranger for four years, attached to the Department of Recreation & Open Spaces. He will tell us what Rangers do, and show slides to illustrate his work and the fascinating story of the history and development of our City parks.

TUESDAY, 21st JUNE 1988 at 8 p.m.

at The Gateacre Institute, Grange Lane, Gateacre.

Visitors welcome 25p.

A SEAT ON THE GREEN ?

The Committee are considering the idea of putting a seat on the Village Green and would very much appreciate members' views. Please let the Secretaries know what you think.

NEWSLETTER DELIVERER REQUIRED -

This month we say farewell and best wishes to two of our Founder Members, Mr. & Mrs. Paul Dawson of 6 Gateacre Brow, who are leaving Gateacre, and many thanks for all the work they have done for the Society over the years. We now need a volunteer for the No.8 Newsletter delivery - Gateacre Brow/Halewood Road. If you could help us in this way please ring Miss Howie 428-5023 or Mrs. Lewis 428-3671.

ENVIRONMENT WEEK -

The Architectural Walk along Acrefield Road on May 1st was a great success in spite of the weather, and we thank Dr. Warner for providing us with a very welcome tea at The Elephant. The Walk has now been published, detailing the architecture, history, owners and occupiers of the houses visited and those now demolished. This publication is extremely interesting and tremendous value at 50p. Copies, while they last, may be obtained at our meetings or from Mrs. Lewis, Grange Lodge, Grange Lane, 428 - 3671.

GATEACRE HALL HOTEL -

We hear from the City Solicitor that the application for a Public Entertainments Licence for 'Fridays Bar' has now been withdrawn.

29 SANDFIELD ROAD -

The Department of the Environment has informed us that the Appeal to retain the white paint on the front elevation of this house has been refused. The Inspector's reasons for his decision are both detailed and interesting and include the sentence ".. the benefits of living in a Conservation Area environment also carry responsibilities .." The full Report is too long to be reprinted here, but will appear shortly on our notice board.

NEW LITTER BINS -

Hurray, 2 new green litter bins arrived on the 18th May. We have asked for several

more on the way to the school but how do we persuade the children to use them ? Any ideas ?

SEAT ON THE GREEN - The Committee are considering the idea of placing a seat on the Village Green and would very much appreciate members' views. Please let the Secretaries know what you think.
